Shaded months are for the six-month club.

What's included with your Scarf-a-Month Club membership:

Correct amount of yarn in a surprise colorway (although we will attempt to honor all special color requests depending on available in-stock colorways). Some months, we will offer an option for an alternate yarn.

Pattern or link to pattern for you to download (this is required by some of the pattern designers). We are always happy to suggest an alternate pattern if you want to try something else.

Shipping (the cost of the Club includes shipping costs)

"Members Only" specials throughout the year for all Scarf-a-Month Club members. For starters, look for discounts on our most popular scarf and shawl kits: Fan and Feather in mohair, Eternity Cowl in Misti Alpaca Tonos, Colorblocks in Manos silk/wool, and Laura Nelkin's Undulating Waves in Schaefer Yarn cotton.

A very special gift for everyone who completes the year (12 month club only) – a 13th scarf! You will get the yarn and pattern to make an Andrea Scarf using 100% Cultivated Silk Andrea yarn from Schaefer Yarn. Andrea Nichols (who works at both Schaefer Yarn and Finger Lakes Fibers) is designing a scarf for the yarn that's the named after her; and this pattern will make its premier with the 2010 Scarf-a-Month Club members.

Cost:

Membership fee (non-refundable) - \$15 for Six-month Club and \$20 for 12-month Club. If you pay for the entire year at time of sign-up, we will waive the registration fee.

Monthly charge - \$25, payable at the beginning of each month. No refunds, no exchanges, no substitutions other than Club-offered alternates. You may cancel your membership at any time.
